- ・ IODP<sup>3</sup> : JAMSTEC (Executive Board 日本 Co-chair)
- ・ ICDP : ICDP 本部代表  
Dr. Thomas Wiersberg  
ICDP Executive Secretary, Head of Operational Support Group (OSG)  
GFZ Helmholtz Centre for Geosciences , Germany
- ・ J-DESC : 山崎俊嗣 会長 (東京大学大気海洋研究所 名誉教授)

### 3 懇談

INTERNATIONAL  
OCEAN DRILLING  
PROGRAMME

# IODP<sup>3</sup>/ICDP/J-DESC Joint Town Hall Meeting

“Scientific Drilling” bridges the diverse fields of Earth and planetary science.

We have created a casual setting where you can interact with leading researchers from Japan and abroad who are active on the front lines of this field. First-time participants, including those with little prior involvement in drilling projects, are most welcome. Please feel free to join us!

**2026.5.25 MON**  
**18:30 - 20:30**  
(18:00 Open, 21:00 Close)

**TKP Garden City  
Makuhari 2nd Floor**

10-minute walk from the South Exit of Kaihin-Makuhari Station on the JR Keiyo Line, or from Makuhari messe.

**Participation fee: free** ※Drinks and light refreshments are available.  
※Please show your business card to the reception staff if you have.
