

#vEGU21

19 - 30 April 2021

ICDP & ECORD/IODP JOINT VIRTUAL BOOTH

ICDP activities at vEGU 2021

ICDP will be present at the virtual EGU General Assembly with the joint IODP-ICDP Session [“Achievements and perspectives in scientific ocean and continental drilling”](#) (Tuesday, April 27th, 13:30-17:00), followed by the [ICDP-IODP Town Hall Meeting](#) (17:30 – 19:00).

The Town Hall Meeting will be a great opportunity to meet ICDP and IODP program representatives and scientists to hear program updates and running and future activities and for networking.

The meeting is accessible through

<https://uso2web.zoom.us/j/83353290275>

Meeting-ID: 833 5329 0275

Code: drilling

ICDP virtual booth

Between April 22 and 28, the joint „Scientific Drilling IODP-ICDP“ virtual booth will serve as a communication platform for news and views about scientific drilling on land and in the oceans .

(Please check vEGU under “Exhibitors”).

ICDP WEBINARS

Each day [webinars on current topics](#) will be held between 11:45 and 12:30.

All times CEST.

Looking forward to meeting you at vEGU!
