

ICDP FUNDED PI- AND SAG-MEETING IN ICELAND  
in relation to the  
ICELAND DEEP DRILLING PROJECT (IDDP)

JUNE 22-27 2001

21. June	PI-arrival	
22. June	Morning	<a href="#">1. PI-meeting</a>
22. June	Morning	Arrival of SAG-members from USA
22. June	Afternoon	Arrival of SAG-members from Europe
22. June	Afternoon	<a href="#">Reykjanes</a> drillsite visit (bus tour) Lectures on Reykjanes – AA-SP-HF-GÓF
23. June	Morning	<i>Flight to Akureyri</i> – North Iceland
23. June	Afternoon	<a href="#">Krafla</a> drillsite visit (flight + bus tour) Lectures on Krafla – BS - AsG - GÓF
24. June	Morning	<i>Flight to Reykjavik</i>
24. June	Afternoon	<a href="#">Nesjavellir</a> drillsite visit (bus tour)* Lectures at Nesjavellir– EG-BeSt-HF-GÓF *Icelandic SAG members expected as well
25. June	09:00	Lectures at Landsvirkjun Dispatch Centre Bústaðavegi 7, Reykjavik
	09:00	Opening - The Minister of Industry and Commerce Mrs. Valgerður Sverrisdóttir
	09:10	Executive Summary of IDDP (GÓF)
	09:25	Role of the PI-SAG-meeting (WAE)
	09:40	Introduction of SAG members and other participants
	<a href="#">10:00</a>	<a href="#">Coffee break</a>
	10:40	Geochemistry/environment – (H. Armannsson)
	11:00	Geophysical review, upper crust (H. Eysteinnsson)
	11:20	Geophysical review, lower crust (Bjarnason-Flovenz)
	11:40	Drilling and well design (S. Thorhallsson)
	12:00	Scientific Pilot Plant (Albertsson-Maack)
	<a href="#">12:30</a>	<a href="#">Lunch Break</a>
	14:00	ICDP/IDDP –Science Structure (Wilfred Elders)
	14:20	Deep Drilling Experience in Japan (Seiji Saito) (How did we drill 500°C formation in Kakkonda Japan)
	14:40	Deep Drilling Experience in USA (John Sass) (Deep Continental Scientific Drilling in the USA)
	15:00	Deep Drilling Experience Italy (Guido Cappetti)
	15:20	DOSECC-coring rig capability (Dennis Nielson)
	<a href="#">15:40</a>	<a href="#">Coffee break</a>
	16:00	Supercritical Conditions (Robert Fournier)
	16:20	Coring versus drilling (Alister Skinner) (Coring versus drilling - How can the two be combined?)
	16:40	PI- split the meeting into 4 working groups (Panels) Panels A, B, C and D
	<a href="#">17:00</a>	<a href="#">Break</a>
	<a href="#">19:30</a>	<a href="#">Dinner</a>

26. June      09:00    Working groups :
- Panel A: Drilling Technique (S.Saito, S.Thorhallson)  
                 Panel B: Geology/Geochem. (W.Elders, G.O.Fridleifsson)  
                 Panel C: Geophysics (G.Palmason, O.G.Flovenz)  
                 Panel D: Pilot plant/ Drillhole fluid (A.Albertss. B.Steingríms.)
- 10:15      Coffee break*
- 10:30      Working groups continued
- 12:30      Lunch Break*
- 14:00      Report from panel A - discussion  
                 14:45      Report from panel B – discussion
- 15:30      Coffee break*
- 16:00      Report from panel C- discussion  
                 16:45      Report from panel D- discussion
- 17:30      PI-closing remarks
- 19:00      Reception and Dinner hosted by the  
                 Ministry of Industry and Commerce*
- 27.June      09:00      PI-SAG meeting / Deep Vision – Next step
- 12:00      Adjourn*
- 14:00      2<sup>nd</sup> PI-meeting – resume  
                 Anouncement to ICDP-member countries  
                 Draft plan ICDP Workshop in 2002
- 27.June      Afternoon    Departure - SAG-members to USA and Europe  
28.June      Morning      Departure - PI and SAG-members to Japan and Europe
